**ORANGE & ROCKLAND UTILITIES, INC.**
**Application for Remote Crediting**

| |
|---|
| The following application is for Remote Crediting Service in New York, pursuant to Rider N of Orange and Rockland Utilities, Inc. Schedule for Electric Service, P.S.C. No. 3 - Electricity. |
| The account for electric service at the premises where the electric generating equipment is located shall be designated the "RC Host Account." The account(s) to which Value Stack credits are allocated shall be designated the "RC Satellite Account(s)." An RC Host Account may designate additional RC Satellite Accounts or remove existing RC Satellite Accounts once per billing cycle, with the new designations to take effect commencing within 30 days of the Company's receipt of the revised allocation list. |
| |

1. **Applicant – Host Account**

   Account Name: _____

   Address: _____ City: _____ Zip: _____

   e-mail: _____

   Phone: _____

   Orange and Rockland Account Number (Host): _____

| 2. **Satellite Accounts** | Alloc % (xx.xxx) | |

This application for Remote Crediting supplements but does not supersede any pre-existing Applications for Electric Service under the Tariff. Service to be supplied to the Applicant will be supplied and conditioned on the Applicant's ongoing compliance with the terms, conditions and procedures set forth in both the Tariff and the Company's Specification and Requirements for Electric Installations as both may be amended from time to time.

3. **Accepted and Agreed:**

   Customer Name: _____ Signature: _____ Date: _____
