Understanding your bill

Basic service charge (Electric): Charge for basic system infrastructure and customer-related services, including customer accounting, and metering services. A billing and payment processing charge of \$0.64, which may be avoided by switching to an energy services company (ESCO) is also included.

Basic service charge (Gas): Charge for basic system infrastructure and customer-related services, including customer accounting and metering services. A billing and payment processing charge of \$0.64, which may be avoided by switching to an energy services company (ESCO) is also included.

Billing charges: These charges are for the electricity and gas you need (supply) and getting the electricity and gas to you (delivery). Rates are based on a 30 day period. When your billing period is more or less than 30 days, we prorate your bill accordingly.
