

ICAP Tag Update

New ICAP Tags Effective 5/1/2020

New Installed Capacity (ICAP) tags for 2020-2021 Capability period will become available on the Retail Access Information System (RAIS) on March 16, 2020.

Listed below are the RAIS files that will be updated with the new ICAP tags.

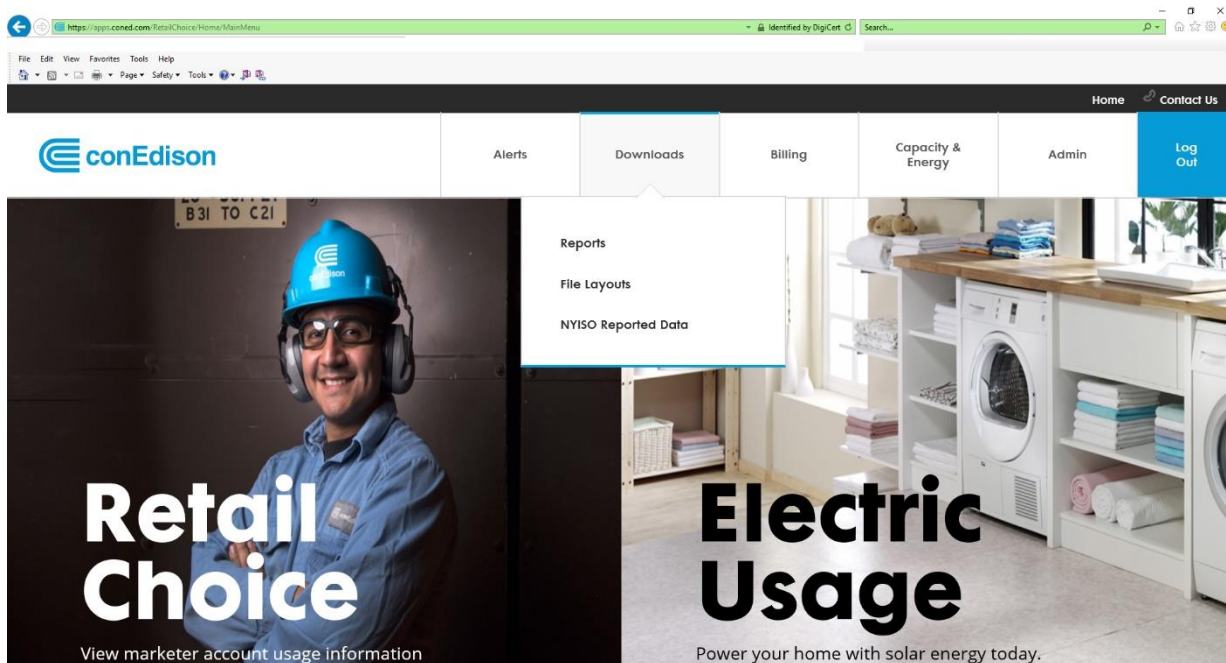

- Billing History Output
- File Billing History View Screen
- Daily Account Listing File

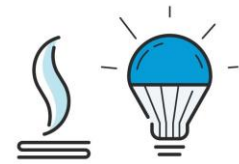

****Please keep in mind that previous ICAP tags are available in files provided prior to March 16,2020. ****

Currently, the NYISO Reported Data Page has each account's respective ICAP. To view this information, please visit the RAIS site at the link below:

www.coned.com/retailchoice

Once you've logged in, go to Downloads at the top of the page. Then, click NYISO Reported Data.

You will be directed to the following page where you can obtain the ZCD values for your accounts by downloading the Customer Details – ZCD Report. Please ensure that you have selected 2020 ICAP Year to obtain the latest ZCD value. Also, download the respective ICAP true-up factors to determine the ICAP.
