

Work Notice

Manhattan Center for Science and Mathematics Pleasant Avenue between East 114th Street and 116th Street, Manhattan

Tuesday August 2, 2016

Con Edison will be conducting remediation work at the site of one of our former manufactured gas plants at 280 Pleasant Ave., between East 114th Street and 116th Street. The site is currently the property of the Manhattan Center for Science and Mathematics (MCSM). The work will be confined to the rear of the MCSM property, in the area between the school building and the FDR Drive. We will be working:

- August 2016 through February 2017
- Weekdays, 7 a.m. to 5 p.m.

Additional work may be required on weekends and evenings. We will provide updates as the project progresses. Throughout the project, Con Edison will implement the New York State Department of Health Community Air Monitoring Plan (CAMP) to prevent exposure.

What to expect

- Moderate construction noise
- Active construction work
