

Work Notice

Purdy Street- Planned Environmental Cleanup

Monday, June 13, 2016

Con Edison will be working to clean up soil at the site of one of our former gas plants.

We will be working June 13, 2016 through mid-November 2016 at the following location:

- St. Raymond's High School for Boys ball field on Purdy Street
 - Weekdays from 7 a.m. to 3:30 p.m.

What to expect

- Increased truck traffic
- Moderate construction noise
- Active work location with 24/7 security coverage

We apologize in advance for any inconvenience this work may cause. For more information on this site, please visit: http://www.coned.com/publicissues/manufactured_gas_plants.asp
