

Your Journey Starts with Orange & Rockland

Implement a plan and start a project that can help you save money on utility bills and operating costs. Receive up to 70% off project costs with instant incentives.

Benefits

Want to save money and upgrade your facility, but not sure where to start? Saving money and upgrading your facility can be challenging, but with O&R energy efficiency upgrades, your wallet and staff will thank you. Rely on the O&R Business Direct Install Pathway to guide you into longterm savings.

Your business could lower its energy usage and costs by participating in the Business Direct Install Pathway. Our qualified O&R Participating Contractors will assist you every step of your journey to help you achieve energy savings for your business.

A project may help businesses:

- Improve and maintain occupant comfort and productivity.
- Increase property value.
- Reduce maintenance needs and extend equipment life.

There's no LIMIT to the money and energy we can help you save.

Saving Energy is as Easy as 1, 2, 3.

- 1. Get an Assessment.** Visit www.oru.com/directinstall to request a free energy assessment with a qualified Participating Contractor and discover energy-saving opportunities eligible for incentives.
- 2. Select a Project Plan.** Work with your Participating Contractor to select a project plan that works for you.
- 3. Install Upgrades.** Your project will be installed by your Participating Contractor and you will receive instant incentives. You only pay the balance after the incentives are applied.

For More Information

The Business Direct Install Pathway offers incentives, technical services and whole-building solutions to help businesses and facilities use energy more efficiently.

For more information, visit us at www.oru.com/directinstall, email ORUBDI@nexant.com or call **800-572-9487**.

Terms and conditions apply.
Actual savings will vary by customer's energy usage and rate.
