Your electricity total \$95.31

1. Current Month Allocated CDG Credit

This is the latest allocation received from your community solar project, which is typically monthly.

2. Prior Credit

Prior credits are any remaining carryover from previous credits received from your community solar project.

3. Host Bank Credit Allocation

These are additional credits that are allocated to you from the Host Project.

4. Total CDG Credit

This is the amount of available CDG credits (Current, Prior, and Banked Credits) that were applied to your electric charges for the month. Credits can be applied up to the total cost of your electric charges for the current billing period plus any related taxes.

5. Adjustments

This is the CDG credit that was applied to your electric charges for the month.
